**COMMITTEE FOR TECHNICAL AND ECONOMIC STUDIES
ON NUCLEAR ENERGY DEVELOPMENT AND THE FUEL CYCLE (NDC)**

35th Meeting of the Joint OECD/NEA-IAEA Uranium Group

28-30 October 2003, Paris (France)

The 35th Meeting of the Joint OECD/NEA-IAEA Uranium Group will take place in Paris, France, at the **OECD Headquarters**, Château de la Muette, 2 rue André Pascal, 75016 Paris. The meeting will commence at 9:30 a.m. on Tuesday 28 October 2003 in conference room D of the château. The meeting is expected to last until noon on 30 October.

Given the formalities for admission to NEA, the secretariat would like to have in advance (by 1 October 2003) the names of all delegates who will participate in this meeting. Delegates are requested to confirm their participation directly to the NEA Secretariat and the IAEA Secretariat.

Delegates participating are advised that the security arrangements in force at the OECD require individuals to present an identity document (such as a passport) upon arrival, which bears their photograph. This document will be requested at the time of issuing the delegate's badge for the meeting. It may also be necessary to present it together with the badge every time OECD premises are entered from the outside.

Participating delegates are also advised that they may require a valid passport and visa for entry into France. Accordingly, it would be advisable to begin the immediate preparation of travel arrangements and necessary authorisations. Please advise the Secretariats as soon as possible if a formal letter of invitation is needed in order to facilitate the visa request.

Secretariat of the Meeting

Mr. Jean René BLAISE
IAEA, Division of Nuclear Fuel Cycle
and Waste Technology
Wagramer Strasse 5
