**12<sup>TH</sup> MEETING OF THE IAGE SUB-GROUP  
ON THE AGEING OF CONCRETE STRUCTURES**

**OECD Headquarters, 2 rue André-Pascal, Paris – 16, France  
23 April 2007**

The 12<sup>th</sup> meeting of the IAGE Sub-Group on the Ageing of Concrete Structures will be held on 23 April 2007 at the OECD Headquarters, 2 rue André-Pascal, Paris – 16, France.

The meeting will begin at 09:00 hours **in room D in the Château** and is expected to finish by 18:00 hours.

Delegates wishing to present papers, proposals, etc., are requested to transmit a copy of the paper to the NEA Secretariat (Alejandro Huerta) before **13 April 2007**, at the latest, if prior distribution is required. Please note that due to the timing and location of this meeting the Secretariat cannot guarantee that copies will be available for distribution if received after this date. Alternatively, delegates are invited to bring 30 copies of documents with them for distribution at the meeting.

Delegates participating are advised that the security arrangements in force at the OECD include the obligation to present an identity document bearing a photograph. This document may be requested at the time of issuing delegates' cards for the meeting. It should also be presented subsequently together with the card every time OECD premises are entered from the outside. It is desirable that the delegates are aware of this requirement in order to avoid any difficulty in obtaining entry.

It is beneficial if the names and addresses of designated participants can be communicated to the NEA Secretariat as soon as possible, **but not later than 6 April 2007**.
