

Logistic information - Hotel Recommendation

For your convenience, we recommend staying at the **Hotel Mercure Budapest Castle Hill** (<https://all.accor.com/hotel/1688/index.en.shtml>), which is also the location of our event. Staying at the venue offers easy access to all event activities and networking opportunities. Its twin **Hotel Ibis Budapest Castle Hill** (<https://all.accor.com/hotel/B427/index.en.shtml>) is also recommended.

The venue of the Symposium is only 5 minutes' walk away from the station "Déli pályaudvar" of the metro line 2.

However, we understand that you may have different preferences and needs for your accommodation. Therefore, we have compiled a list of other hotels in the vicinity for your consideration:
